

Did you know all VCE students have access to Edrolo?

Edrolo is the ultimate VCE resource - Crafted by expert VCE teachers and mapped directly to the VCAA Study Design for 15 Units 3 & 4 subjects and 11 Units 1 & 2 subjects. It is comprised of:

Theory Master - Interactive video courses designed to help students revise and master course content.

Exam Master - Interactive exam-style question sets with video solutions, auto-marking and deep analytics.

English

Next steps

To log into Edrolo, go to www.edrolo.com.au and log in with your username and password. Talk to your teacher if you need help activating your account.

Study Tip

In your account, reflect on your understanding of key topics and update your “self-rating” to help guide your study. As Edrolo is based on the VCAA study design this ensures you are targeting your weakest study areas. This also gives your teacher an update on where you are at so they can help you too!

▶ CENTRAL AND PERIPHERAL NERVOUS SYSTEMS 16 mins	25/25 VIEWED	6/6 QUIZ RESULTS	5/5 SELF-RATING
▶ SOMATIC AND AUTONOMIC NERVOUS SYSTEMS 15 mins	23/29 VIEWED	Rate your understanding of this lesson	
▶ THE SPINAL REFLEX 12 mins	1/22 VIEWED	<input type="radio"/> 1 <input type="radio"/> 2 <input type="radio"/> 3 <input type="radio"/> 4 <input type="radio"/> 5	

Parent Tip

Get your child to show you their Edrolo account. Help them complete the above activity and maybe watch some videos together. They can teach you!
